Sir:

REQUEST FOR CORRECTED CERTIFICATE OF CORRECTION

The Patent Office issued a Certificate of Correction for the above-identified patent on May 10, 2005. Applicant's undersigned representative discovered that the language used on the Form PTO 1050 was ambiguous. Pursuant to a telephone conversation with Ms. Marietta Joyce of the Corrections Branch, Applicant submits this Request For Corrected Certificate of Correction in order to clarify the language on the Form PTO 1050.

In particular, the correction at claim 3, column 7, lines 51-52, instructs: "delete 'having substantially planar' to --having planar--." Whereas, it should have instructed: "change 'having substantially planar' to --having planar--."

Therefore, pursuant to 35 U.S.C. § 254, and 37 C.F.R. § 1.322, this is a request for a Corrected Certificate of Correction in the above-identified patent. The original mistake identified in the appended Form occurred through the fault of the Patent Office, as clearly disclosed by the records of the application which matured into this patent.

JUN 27 2005

Two (2) copies of PTO Form 1050, in which the language has been corrected, are appended. The complete Certificate of Correction involves one (1) page. Issuance of the Corrected Certificate of Correction containing the correction is earnestly requested.

Please charge any required fees not included herewith to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
